

Safety Data Sheet for The Army Painter Battlefield Basing: Tufts

Revision 1, date 14-07-2020

**Trade name: The Army Painter
Battlefield Basing: Tufts**

1. Identification of product and company/undertaking

Product name: The Army Painter – Battlefield Basing: Tufts, lengths 2 - 12 mm, in various colours and colour blends.

Producer:

THE ARMY PAINTER APS
Christiansmindevej 12
8660 Skanderborg
Denmark

Contact@TheArmyPainter.com

2. Composition / information on ingredients

Chemical nature: Polyamide 6.6 (PA6.6), Poly (hexamethylene adipinamide) CAS Nr. 32131-17-2

Physical nature: Clumps of cut fibres with mean lengths of 2 to 6 mm.

Other components: inorganic and organic chemicals (total amount max. 0.5 % of weight) which are indispensable for luft quality and manufacturing processes.

Base contains 2-methylisothiazol-3(2H)-one and 5-chloro-2-methyl-4-isothiazolin-3-one. May produce an allergic reaction.

3. Hazards identification

To the best of our knowledge, The Army Painter Battlefield Basing: Tufts and their derivatives have not been associated with negative effects on humans if used in accordance with good industrial hygiene practice and any legal requirements.

4. First-aid measures

Inhalation: Not specifically concerned (s. point 3)

Skin contact: Not specifically concerned

In case of fire, the malten product may cause burns. Rinse with plenty of water. Do not attempt to remove clothes (danger of adherence to the skin). Call for a physician.

Eye contact: Not specifically concerned

Ingestion: No data available

5. Fire-fighting measures

Fire extinguishing agents: All usual extinguishing media may be used

Restrictions: No restrictions

Specific information for firefight: Use autonomous respirators to fight fire indoor or in poorly ventilated areas. Do not use water as extinguishing agent in the presence of uninterrupted electrical installations.

Hazardous decomposition products: Depending on temperature and oxygen availability, combustion off-gases contain variable quantities of toxic substances (carbon monoxide, hydrogen cyanide, various organic compounds) which must not be inhaled.

6. Accidental release measures

Accidental dispersion/spill: Collect material for controlled re-use or waste disposal.

No special safety risks or risks to the environment.

7. Handling and storage

Fire precautions: Keep away from ignition sources.

Storage: No special safety precautions.

8. Exposure controls and personal protection

Components with occupational exposure limits: none.

Industrial hygiene: No special risks if handled in accordance with good industrial hygiene practice and any legal requirements.

Personal protection: Dust mask, protecting goggles.

9. Physical and chemical properties:

Appearance: Clumps of fibres

Colour: Various

Odour: None

Flash point: No data available

Flammability: No data available

Autoignition temperature: No data available

Explosive properties: No data available

Oxidising properties: No data available

10. Stability and reactivity

10.1. Reactivity

No data is available on this product.

10.2. Chemical stability

Stable under normal conditions.

10.3. Possibility of hazardous reactions

No data is available on this product.

10.4. Conditions to avoid

None under normal storage conditions

10.5. Incompatible materials

No data is available on this product.

10.6. Hazardous decomposition products

None under normal storage conditions.

11. Toxicological information

The fibres in the product do not present special risks on humans.

12. Ecological information

The fibre product is not associated with ecological problems, provided that the wastes are orderly disposed of.

Because of its chemical nature, the product is not ecotoxic and not readily biodegradable.

13. Disposal considerations

Can be disposed of as solid waste or burned in suitable installations, subject to local regulations.

14. Transport information

International regulation:

The product is not classified as dangerous for carriage.

15. Regulatory information

Classification and labelling Not classified as hazardous (regulation EEC and others)

16. Other information

The Safety Data Sheet is not meant to be handed out to private end-users.

The Safety Data Sheet does not disengage the user of his duty to know and to apply any law and regulation that may be relevant.
